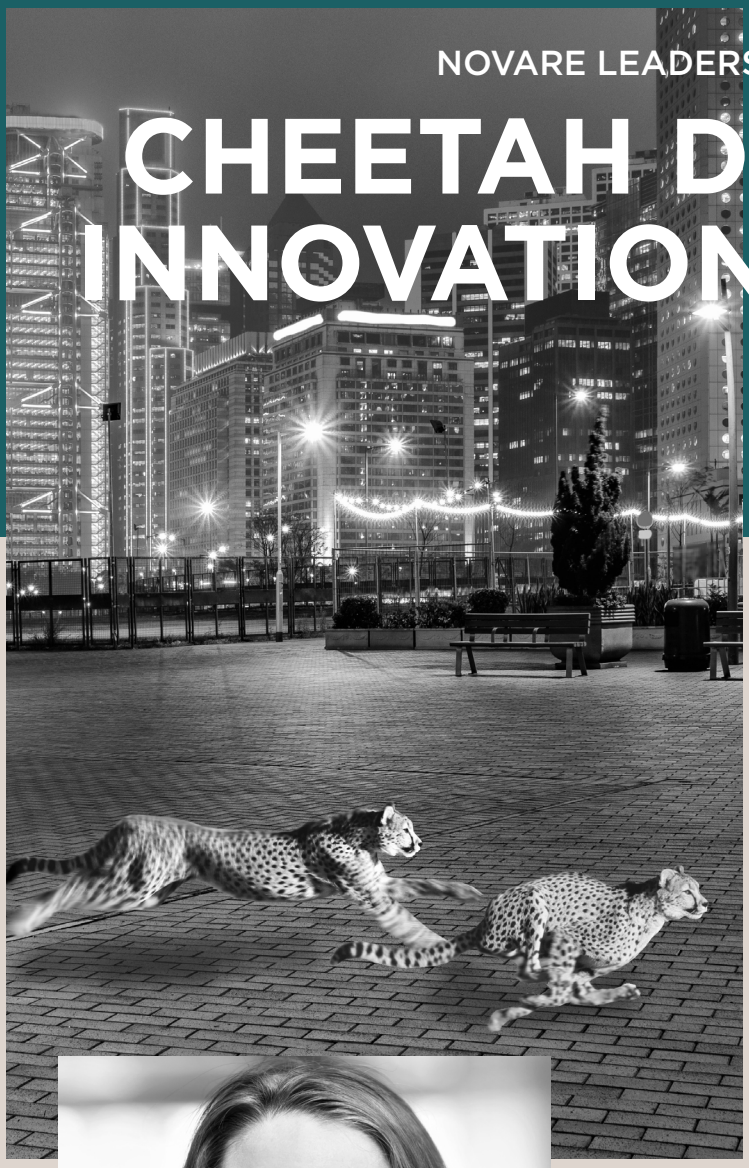
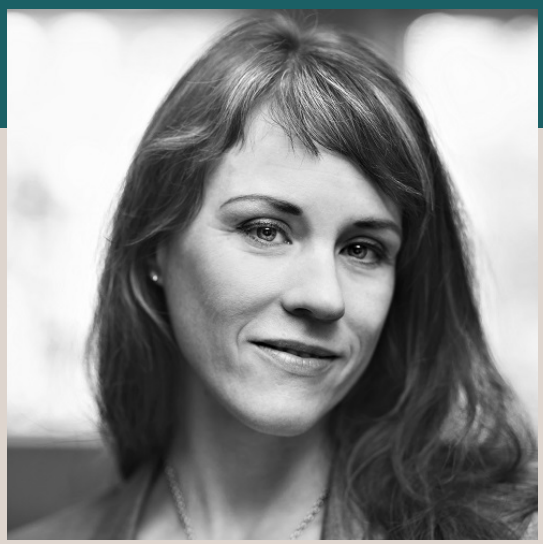
NOVARE LEADERSHIP ACADEMY

CHEETAH DISRUPTIVE INNOVATION PROGRAM





YLVA BERG, COOR
VP HEAD OF DIGITAL DEVELOPMENT
”I strongly believe the future is about collaboration and to position yourself and your company in the value chain of eco-systems, something the Cheetah program has enabled me to do”

JENNY GEJKE
HEAD OF DIGITAL CHANNEL DEVELOPMENT, SJ
“It takes passion to drive change! The Cheetah program has enabled me to expand my professional network – and that will definitely help me in our transformation going forward”

NIKLAS HOFFSTEN, ADLIBRISGRUPPEN
CHIEF PURCHASING OFFICER
“From our trip to China I was amazed with the transformation the region has undergone. You find yourself right in the eye of disruptive innovation, surrounded with Bitcoin-ATM’s, connected (cash) cows and modern high-speed trains – moving from “made in China” to “innovated in China”.

NOVARE LEADERSHIP ACADEMY are proud to present the fifth edition of Cheetah Disruptive Innovation Program – for senior leaders driving transformation, digitalization and change. Through this program, participants will connect with thought leaders in the intersection of innovation, technology and leadership. They will challenge their business models, discover new ways of working and expand their global outlook through the program modules and a business trip to an international innovation hotspot.

NOVARE HUMAN CAPITAL WAS FOUNDED BY INVESTOR AB IN 2001. Today, the Novare group is the leading human capital company in Sweden. Novare Leadership Academy, part of the Novare group, focus on delivering top quality leadership development programs with a focus on networking, innovation and exclusive top executive dialogues.

THE PROGRAM

MAXIMIZE THE CHASE FOR SUCCESS
Cheetah Disruptive Innovation Program is named after the cheetah, one of the world's fastest animals known for their explosive speed and amazing stamina. This is how we look upon change – run fast, take lead and stay long. This program will help you accelerate change in your organization. The aim is to prepare you and your organization for the extraordinary changes that we face today, focusing on how to take it from idea to action.

INTERNATIONAL BUSINESS TRIP
The program is built on four modules in Stockholm and an international business trip in 2021 to an innovation hub/region. Previous Cheetah programs have travelled to Silicon Valley, USA and to Shenzhen & Hong Kong in China. The purpose is to widen perspectives on change and transformation and to meet innovative organizations and leaders.
